

LAB CABINET SINK UNIT WITH PHENOLIC RESIN WORK SURFACE

What You Need To Know:

- **Durable Construction:** Crafted with 2x2" square 18-gauge furniture-grade steel tubing for exceptional durability.
- **Convenient Access:** Features reinforced hinged doors with chrome wire pull handles and rear cabinet cutouts for plumbing access.
- **Functional Design:** Equipped with a lipped sink, mixing faucets with blade handles, a built-in backsplash, and an outlet for combined functionality and contemporary style.
- **Chemical Resistance for General Use:** Phenolic resin worksurfaces are ideal where a wide range of chemicals, including acids, bases, and solvents are used.
