

Inside Sales Representative

Join a friendly, team oriented, growing company.

- Work with an established customer base
- A collaborative and supportive work environment
- Competitive pay structure

As an inside sales and design specialist, you'll work closely with existing and new clients helping them design ergonomic workstation solutions that meet their requirements for labs, offices, classrooms, and on factory floors.

The Company: Workplace Modular Systems has been designing, manufacturing, and supplying custom-configured workstation solutions for more than 65 years.

- We help our clients make better use of their space, improve worker ergonomics, and enhance productivity with innovative, high-quality products made entirely in the USA.
- Our 90,000+ square foot headquarters in Londonderry, NH is home to Administrative and Sales Departments, Engineering, R&D, Operations, and Product Manufacturing.

The Position: An inside sales representative will have at least an associate degree in business and 2-5 years inside sales experience. Strong communication skills online and on the phone are essential in this position.

Starting salaries average \$70,000 per year (depending on experience) and include commissions. Benefits include:

- Medical/Dental/Vision/401(k)
- Paid Holiday & PTO
- Performance-based cash bonuses

The Location: Located in Londonderry, New Hampshire, Workplace Modular Systems is an hour from Boston, Concord NH, and Portsmouth NH. Just minutes away from Manchester-Boston Regional Airport, Londonderry is a growing community with urban convenience and rural ambience, offering shopping, restaurants, apple orchards and farms.

Why Apply?

- Competitive salary, commissions, and bonuses
- Medical/Dental/Vision/401(k)
- Paid Holiday & PTO
- Business casual dress code

- Friendly, supportive environment
- Ample room for career growth
- Near a major airport, Boston, the seacoast, and White Mountains
