

## Cabinet To Cabinet Workstation

### Construction Detail:

- ▶ Structural cabinet-to-cabinet frame provides solid, distributed worksurface support.
- ▶ Cabinets are provisioned to accept all Workplace add-on accessories and include a 3" high-leveling base with a 2" recessed toe space.
- ▶ Drawers are equipped with 100% full-extension, all steel ball-bearing drawer slides, allowing full access to drawer storage space.
- ▶ Locks are optional; specify LK1 on cabinet model #.

### Cabinet-To-Cabinet Workstations

To configure, select a model number and two cabinets (following pages)
